### Mission Focus—Philippines Micronesia Field

The Philippine Islands were a Spanish colony during the 16th century but were later ceded to the United States in 1898 following the Spanish-American War. In 1946, the Republic of the Philippines attained independence. The Federated States of Micronesia were under the control of the Portuguese, Spanish, German, and Japanese until 1947, when they were placed under U.S. administration as part of the Trust Territory of the Pacific Islands. The Church of the Nazarene entered the Philippines in 1946 and began work on several Micronesian islands beginning with Guam in 1971 and other areas (including Chuuk, Palau, Pohnpei, and Saipan) through 2000.

- \*Pray for those who minister across this wide and diverse field on the Asia-Pacific Region.
- \*Pray for the development of more pastors and the establishment of more churches both in the Philippines and across Micronesia.
- \*Praise God for emerging young leaders across this field.
- \*Praise God for recent building projects that have progressed because of Alabaster.
