## Prayer Requests

\*Pray for Don Forsyth and family, as he is fighting cancer again.

\*Pray for Celebrate Recovery Summit July 10-12. May God be glorified through the testimonies of healing in His people.

\*Pray for our mission team down in Papua New Guinea.

### Mission Focus—Trinidad & Tobago

Trinidad and Tobago were first colonized by the Spanish but came under British control in the late 19th century. Noted for the sugar industry, and the slave labor required to sustain it, the islands were crippled economically by the emancipation of slaves in 1834. However, large numbers of Indian contract laborers brought in between 1845 and 1917 boosted sugar production and a thriving cocoa industry. This also introduced Hinduism to the islands, the second major religion practiced there. Oil was discovered in Trinidad around 1910, which energized a booming economy through export. The Church of the Nazarene established its first work here in 1926. Trinidad and Tobago attained independence in 1962. One of the most prosperous countries in the Caribbean, Trinidad and Tobago are now rapidly expanding its tourism industry and related services. One third of the population is under the age of 25 years, which prompts many of the ministries there.

\*Pray that God would continue to raise up committed persons to help serve in children and youth ministry on the district.

\*Pray that God will work through Nazarenes on our district to make Christ-like disciples amongst the children in our nation.

\*Praise God for the opportunity to share Jesus’ love with the children at children’s camp.

\*Praise God for the growth of the Spanish church on our district.
